## Pony Camps – Half Term Fun!

Our Pony Camps, available as full-day or half-day options, are the perfect way to keep children active, entertained, and engaged throughout the half term. Each day is packed with exciting indoor and outdoor pony-related activities designed to be fun, educational, and confidence-building.

Children will enjoy arena riding, outdoor hacking in Joydens Wood, and plenty of games and challenges. There's also the chance to try bareback riding, alongside a variety of unmounted stable sessions including mucking out, grooming, handling, and learning essential horse-care skills. Other activities include tractor rides, field games, and much more!

To kick-start the day, we provide breakfast cereal and toast, ensuring everyone is fuelled and ready for action. Please bring a nut-free packed lunch, snacks, and a drink for the day.
